Acts of the Apostles Assembly #2411

Vol. XII No.1

Over 100 years of Patriotic Service

July 2006

### **Some Thoughts!**

As if divining that the Knights of Columbus would take on themselves the task of giving the widest possible circulation to THE CATHOLIC ENCYCLOPEDIA, His Grace, Archbishop Ireland, discoursing on "The Typical Catholic Layman of America", before the Supreme Council of the Order assembled in St. Paul, recommended the work in the following eloquent terms:

"An intelligent laity is the prime need of the Church to-day, in America. The battle is opened. It is a flood of contradiction, of misrepresentation, of calumnies. History is perverted; Catholic discipline is travestied. When the Church, as seen daily, cannot with be assailed, the appeal is to centuries of long ago, more unfamiliar to the reader -- to remote lands whence no contradiction may come. The remedy is intelligence of all important matters concerning the Church at home and abroad, intelligence that Catholics be guarded from poisonous inoculation, and be, at the same time, in a position to influence public opinion in favor of truth and justice. The most ready arm is the press: hence the duty of the hour is to give generous support to the Catholic newspaper, to read it, to distribute it, supplementing it, as occasion permits, with magazine and book. One book, the summary of thousands, I especially recommend, THE CATHOLIC ENCYCLOPEDIA".

### **FAITHFUL NAVIGATOR'S MESSAGE**

Time flies and it is time to saddle up in the new assignment. I look forward to the challenges

and the schedule ahead and hope that those who have taken officer positions for the year feel the same. We have great opportunities each year, and I have great confidence that we as an Assembly will meet them.

One of the first will be the installation of officers for the year, which I would expect to come in the second half of August but has not yet been arranged, and the presentation of a Chalice to Dr Murphy's family in the near future, as soon as that can be scheduled.

I want to do what we can to polish up the Color Corps, so anyone interested in that effort please let me know so that you are for certain on the communication list when practice rolls around. We will try to keep the upcoming schedule of events at the forefront, and communicate with reminders to aid in having as many Sir Knights as can possibly make the events do so.

I communicate a lot by email and my address is [scoffman@moneymailer.com](mailto:scoffman@moneymailer.com) or [rcoffman@cox.net](mailto:rcoffman@cox.net). If FAX works better it is 703-631-1412, and the PHONE is 703-631-9405. I know there are many Sir Knights I have not met, and I hope to do so by encouraging each to attend some meetings or events if at all possible.

My last thought is to thank those Sir Knights, and in some cases their ladies, and mine, for all the good help in the Kitchen and in serving this past year. That was a great demonstration of fraternal fellowship and was certainly appreciated. Joe, I know you will do well year, and will have the help to make it an enjoyable experience.

Vivat Jesus!
