Faithful Navigator's Column

We have events scheduled for the Color Corps on the 17th and the 24th of March, plus the 2nd of May. I was out of town, but I see that we had a nice turnout at each of the two events at St Andrews on March 3rd. Thank you for your effort in coming out and providing support to the Bishop on that day, and please try to find the time to continue support throughout the rest of the schedule.

The Memorial Team, which I have called the Chalice team on occasion in the past, is moving along in its formation. The Trustees and our Commander have a written conceptual manner of conducting the ceremony in support of families of recently deceased Brother Sir Knights, and when any comments are considered, we will be assigning team positions, scheduling practice, and declaring ourselves ready to conduct the Ceremony.

There is an article from the Richmond newspaper regarding the construction of a Fisher House in support of the Hospital there that supports recovering veterans. The House is scheduled to be built in 2008, and I believe we will be asked to support it with donations for certain aspects of the operation. Funds have been raised for the building. We have a request for participation in the Manassas St Patrick's day parade; however, we also have a request to support the Bishop and St Joseph's Parish on the same day, the 17th, which in my view has priority. Maybe we could have

the older guys who want to volunteer do the confirmation, and younger ones do the parade.

The nomination to fill the Trustee position vacated by the resignation of Sir Knight Paul St Laurent, PFN, due to his retirement and move to Rhode Island is Sir Knight Willie Putnam. The nomination was presented and tabled at the February meeting, and will come before the Assembly for a vote in the March meeting.

Lastly, we are looking forward to the 125th anniversary of the Knights of Columbus on March 29th.

Vivat Jesus!
