Faithful Navigator's Column

Brother Sir Knights,

Good evening. As of midnight on 1 July, I have assumed the office of Faithful Navigator for the Acts of Apostles Assembly #2411. Thank you for your vote of confidence in electing me to this position. I will do my best to show you the wisdom of your choice.

For those of you who do not know, I am writing this from the ~very~ sunny sands of NAWS China Lake. If you are unfamiliar, just look at the daily high temperature records in the news; that is where I am. Please bear with me as my travels take their toll. I have been thousands of miles from home since 16 June, I will remain for another four weeks. Thank you, Faithful Captain Mike Lynch, for filling in for me at the Master's meeting and at the meeting coming up on 22 July. As Mike will be doing double duty that day, I'm sure he would appreciate any help you may have to offer.

Brothers, I now seek your help. What programs have we done that we now fail to do? What programs have we not yet done that need doing? Do you have any ideas about the meetings, the newsletter, the Color Corps, the reports, etc., that we could use to improve the quality of life for our Assembly? How can we better advertise to our member Councils the beauty and grandeur of the Assembly? This is your time to tell the Navigator what you really think should be done! I am open to any and all suggestions. Feel free to e-mail me at jseiler@seicorp.com.

I look forward to working with each and every one of you. Let me know what I can do to be a better Navigator and I promise I will take your suggestions to heart.
Vivat Jesus!

Jason Seiler
