Faithful Navigator's Column

Brother Sir Knights,

As I sat to write this article, I glanced at my calendar and noticed two very important dates this month, those being both the birth, and death, of our Founder, Fr. Michael J. McGivney. Fr. McGivney was born on August 12, 1852; he died on August 14, 1890, at only 38 years old. Imagine that your life had been halted, or for a few of us will be, just after your 38th birthday. What would you have not experienced? What goals would you have not met? What steps can you take, now, to ensure that the goals you have remaining can be completed before we rest in the Lord?

Also, the dates cause me to take pause. As I write this, I am 31 years old and about to be a father for the first time. When the Knights of Columbus were founded on March 20, 1882, Fr. McGivney was just **29 years old**. Think back to when you were 29. Did you have your life in such an order that you could create something as awesome, as long-lasting, or as meaningful as the KofC? If you heard today that a man in his 20s created a men's group, would you give it a second thought? How much faith do we put in someone due to their age alone?

In addition to celebrating Fr. McGivney, we will be celebrating our immediate past Faithful Navigator, Joe Beres. The monthly meeting on 26 August will be our annual Installation of Officers and PFN Dinner. This will be a formal event (tuxedo and social baldric), and wives are highly encouraged to attend. Officers are required to attend this installation or find their own stand-in. Please be sure to let the Faithful Captain know in advance if you

will be present. I look forward to seeing each of you there.

Vivat Jesus!
