Faithful Navigator's Column

Brother Sir Knights,

I was honored to represent our Assembly at the Exemplification of the 4th Degree in Richmond, November 8, 2008. 179 Candidates, including 3 priests, took their 4th Degree on that day; one of those being our new Sir Knight Roshan Anthony Pillai. Roshan is a member of the Fr. Cilinski Council and is celebrating his 8th year as a Knight. Welcome, SK Roshan! As our new Sir Knight, if you come to the meeting on 25 November, dinner is on the house.

Speaking of the Exemplification, it is changing. The next time it occurs in Virginia, which should be in mid-to-late May, it will be a new, shorter version (less than 2 hours total). While the location has yet to be finalized, it should be worth the trip wherever it is, just to see the new depiction.

To those who are, or would like to be, in the color corps, it is time to be certified. The new drill manual is coming out soon, so that will be a good time to polish up our moves. More information will be sent out as it is available.

And speaking of the color corps, the District is looking to put together a crack-team of color corps personnel. These will be our best of the best, who look great in regalia, know the moves without thought, and know the difference between marching and walking stiffly. From these men, the Vice-Supreme Master will select a Provincial color corps team. These men will be on call, year round, to go to DC, Pennsylvania, Maryland, Delaware, and of course Virginia, to act as the VSM's own color corps. The main function will be events at the Basilica. If you would like to volunteer to be part of the District or Provincial color corps team, let me know ASAP.

The next meeting will take place 25 November 2008. Please be sure to RSVP to the Faithful Captain so he may plan dinner appropriately.

Vivat Jesus!
